

# ROAST & GROUND

— FUEL YOUR DAY —

Roast & Ground hand-picked coffee is freshly roasted in small batches for maximum flavour and includes everything from classic single origins, to gutsy blends and satisfying decafs.

We carefully source all our coffee and have built long-term relationships with our roasters. All our coffees are ethically traded, fully traceable and either Fairtrade or Rainforest Alliance certified.

We've been refining our coffee range over many years - over 20 in fact! Ensuring only top quality, speciality grade coffees get to carry the Roast & Ground label. Choose from single origins, sophisticated blends, Rainforest Alliance, Fairtrade and more. Help people facing homelessness find employment by choosing Fuel Their Day. 50p per pack sold goes to our house charity, Only a Pavement Away.
